REPORT OF SELECTMEN

To the Citizens and Taxpayers of Haverhill:

The selectmen submit herewith their report for the year ending January 31, 1920. Upon the following pages will be found the detailed statements.

CHANGE IN DIVISION OF ASSESSED VALUATIONS

Whereas during the past few years the division between assessed valuations of the town and Woodsville Fire Precinct has been upon the basis of 52% to the former and 48% to the latter, the 1919 appraisal shows an increase in the town valuation sufficient to make the division 54% to the town and 46% to the Woodsville Fire Precinct. Therefore upon highway monies, for every dollar raised or expended, 46c goes to Woodsville Fire Precinct and 54c to the balance of the town.

REDUCTION OF THE TOWN DEBT

Notes for $12,000 and $5,000 were paid and burned in the presence of the selectmen and town treasurer. Notes outstanding now are as follows:

Woodsville & Wells River Bridge,,	$28,000
Short term notes,	13,000
Total,	$41,000

The net decrease in the town debt for the fiscal year just closed is $13,292.52.

STAHL vs. TOWN OF HAVERHILL

In protecting the Town's action in assessing taxes to Mr. Stahl, the selectmen have had to defend court action on the part of Mr. Stahl. The New Hampshire State Tax Commission has held that the town's action was legal. The taxes in question have been collected and the court costs assessed to Mr. Stahl. He still has the right to appeal to the Supreme Court.

TAX COLLECTIONS

The amount collected by taxation this year was $96,833.32 with abatements of $242.36, sold to the town $447.64.

BUDGET COMMITTEE

The recommendations of the budget committee are substantially the same as last year, with the exception of suggesting a larger appropriation for the maintenance of the poor. Charges to this account are largely beyond the selectmen's control and have been particularly heavy during the last year and with no relief in sight. The recommendation of the budget committee
